RIPE Address Policy Working Group

October 28, 2020
RIPE 81, In Cyberspace

WG Chairs: Gert Döring & Erik Bais

please remember: this session is webcast

APWG Agenda 11:00-11:45

- A. administrative matters
  - approving the minutes from RIPE 80 (Virtual May)
  - update on the WG chair trainee program

- B. Current Policy Topics - Petrit Hasani - NCC PO

- C. Feedback From NCC Registry Service - Nikolas Pediaditis

- D. Seizure of the "Right to Registration of IPv4 Addresses" - Ciaran Byrne

- Z. AOB

Preface - on Virtual Meetings

- this is webcast per Meetecho

- life transcript is on https://ripe81.ripe.net/live/main/

- Feedback and questions?
  - use the "Q&A" Button in Meetecho
  - use the general Chat in Meetecho
  - "request to speak" in Meetecho (we'll enable your mike)

- the session is recorded and will be published

- we only do a short "presentations from PO and RS" meeting

- no open policy proposals, and the webcast format is not very suitable for a discussion $\Rightarrow$ no discussions today

- as usual: all important discussions happen on the mailing list

Agenda Bashing

- do you want to see anything changed?

- is something missing?

A1. minutes from RIPE 80 (Virtual May)

- have been circulated on the mailing list (June 09)

- no comments received so far

- feedback? Any inaccuracies that need correcting?
  - (please comment on the APWG mailing list)

- will be declared final in four weeks (time for corrections)

A2. WG Chair Selection Procedure

- process defined by consensus on the AP WG mailing list

- one chair stepping down every year (taking turns)

- Gert Döring to step down before the May meeting

- we asked for "trainee volunteers" at the last meeting, so interested parties can have a look at the job to see if they want to candidate

- . . . so, welcome James Kennedy and Leo Vegoda

- this is not a chair selection yet - other volunteers are welcome

- on the list, 4 weeks before the next meeting

B. current policy topics

- B. Current Policy Topics - Petrit Hasani - NCC PO

  – A brief summary of proposals in the RIPE NCC service region

  – Policy discussions in the other RIR service regions

  – Policy Development Office (PDO) update

C. Feedback from NCC Registry Services

- presentation by Nikolas Pediaditis, NCC RS

    – IPv4/IPv6 status hierarchies in the RIPE DB

    – some numbers on IPv4 and IPv6 allocations, one year after the (final!) runout

    – some words on unused ASNs

D. Seizure of the "Right to Registration of IPv4 Addresses"

- presentation by Ciaran Byrne

- Legal Counsel of the RIPE NCC

Z. AOB

- anything else?

Thanks!

- thanks for your input

- thanks for your help in forming policies in the RIPE region

- . . . enjoy your lunch!

- . . . and we hope to see you all @RIPE82
